

Snug Harbor Yacht Club, Inc

ENTRY AND USE OF THE TENNIS AND PICKLEBALL COURTS

The following information and “Code of Conduct” regarding common facilities is synthesized here to clarify procedures that have been approved by the Board of Governors (BOG) and its various operating committees.

Use of Common Areas

All Snug Harbor Yacht Club common area facilities are for the use of members and their guests, **if accompanied by a member**. Keys to the entry gate, clubhouse, and keypad codes are issued to all members. Additional keys may be obtained from the Association clubhouse chair.

Tennis Courts

The courts may not be reserved ahead of time. Proper tennis shoes are required (low tread with non-marking soles). Property owners must be present with any guest unless they are overnight houseguests. Guests are limited to one court unless the other court is free. Property owners have priority use of a court over guests. Please limit play to one hour if others are waiting (90 minutes for doubles). Pickleball and tennis play only: no bicycles, rollerblades, skates, skateboards or toys are allowed on the courts. Please remove all trash from the courts and take it with you. We encourage members to challenge unknown people (or others who do not live here) who are using the courts.

Clubhouse Security Lights

The following lights are owned and maintained by SHYC: Advise the Commodore, Harbor Master or any board member if there is a problem:

White mercury- south parking lot

White vapor- north side on point

Yellow sodium vapor lights maintained by FPL.

Call 1-800-468-8243 (1-800-4-outage) for service, noting date time and contact person;

The ID# is a metal label on the pole.

Advise Commodore, Harbor Master or board member that you have called it in.
